Founder and President, Post-Science Institute

PO BOX 2663, Fremont, CA, 94536 USA

Assistant Amy Lee: 510 366-5888

10 Mentors of Hugh Ching

<http://els4.net/utopia.pdf>

1. Lotfi A. Zadeh, Father of Fuzzy Logic

2. Ta-You Wu, Chinese Father of Physics

3. Paul Feyerabend, Leader of Postmodern Science

4. Gerard Debreu, Author of Theory of Value

5. Kenneth Arrow, Leader of Mathematical Economics

6. Milton Friedman, Founder of Free Market

7. Harold Grad, intellectual descendant of Richard Courant and David Hilbert

8. Toshiyasu L. Kunii, Founder of Homotopy Theory

9. Chitoor V. Ramamoorthy, Founder of Software Engineering

10. K. T. Li, Architecture of Taiwan (and China) Economic Miracle

Hugh Ching's Progressive Publications and Speeches:

1970 Large-Amplitude Stabilization of Drift Instability

1978 Book Table Tennis Scientific Analyses for

Coaches and Intermediate Players: Predicted double-hitting, legalized in tennis 1982 and table tennis 2004. The new physics concept of **jumpulse** in collaboration with **Ta-You Wu** from 1995 to 2000 based on the **Generalized Fluid Description** $DF/Dt=Source$. <http://els4.net/syllabus.pdf>

1984 Publicly Predicted Savings and Loan Crisis

1996 Patent "**Completely Automated and Self-generating Software System**" (Pat. No. 5,485,601): Theoretical discovery of DNA by identifying DNA as completely automated software programming with source code 0, 1, 2, and 3. Conceived in 1986 <http://postscience.com/pspatent.pdf>

2000 Patent "**Quantitative Supply and Demand Model Based on Infinite Spreadsheet**" (Pat. No. 6,078,901): Solution to the problem of value posed by Gerard Debreu in Debreu's book Theory of Value. <http://postscience.com/ispatent.pdf>

Completely mathematically rigorous solution of value based on which commercial products the Infinite Spreadsheet were developed for real estate: <http://123is.com/verify.htm> and stocks: <http://13iss.com>

2006 June Predicted the Subprime Woe for the Fed

2007 Book: Knowledge Dialogue about Post-Science.

2013 November Speech in Istanbul, Turkey on "**The Next 2,000 Years**" with announcement of the existence of **Non-violable Laws of Nature in Social Science** demonstrated by the solution of value and practiced by the Infinite Spreadsheet valuation software, which predicted publicly both the Savings and Loan Crisis (1984) and the Subprime Woe (June 2006). <http://next2000years.com>

2016 August Speech and IEEE invited paper on "**Knowledge-Oriented Society**" <http://kos4.com>

2017 September Interview by Dr. Diane Hamilton on **Knowledge-Oriented Society** <http://els4.net>

December Article "**Fuzzy Logic, the Genius of Lotfi Zadeh**", the greatest thinker in the history of mankind, for **fuzzy** is more accurate in describing reality than **exact**, and the **Fuzzy Exact Solution** replaces the **Exact Solution** as the most accurate description of nature, raising the ceiling in the field of mathematics.
